! WHY

! **Beneficiary Status denied** — The Plaintiff is a lineal descendant of Chellamma Channathy and a rightful beneficiary — yet the defendants deny it.

! **Trust deed Suppressed** — D2 conceals the original Deed 2/IV/2007 to defeat the Plaintiff's rights; copies refused despite repeated requests.

! **Amendments Forged** — Deeds 66/IV/2022 & 17/IV/2024 were registered without beneficiary consent to redefine the beneficiaries and exclude him — pleaded void.

! **Access Unlawful exclusion** — D2–D4 barred the Plaintiff from his ancestral home (Meda, Nalukettu, Nelpura) through private enforcers, with no court order.

! **Assault Premeditated attack** — On 09.08.2024 hired enforcers (D5–D7 and others), directed by D2–D4, attacked the Plaintiff — a torn rotator cuff needing surgery.

! **Fiduciary Duties delegated** — Trust control was handed to outsiders with no trust role (s.47); D3, USA-domiciled, is disqualified as a trustee (s.60).

! **False FIR FIR 574/2024** — A retaliatory, fabricated FIR to reverse blame, shield D6–D7 and brand the Plaintiff a trespasser.

! **Sham suit O.S. 243/2024** — Built on a fabricated cause of action — he had left India before the alleged date — and the suppressed deed; trespass alleged despite no entry.

! **Heirlooms Protected items missing** — A mounted bison skull and deer antlers vanished from the Meda under the defendants' custody — possibly taken abroad.

! **Accounts 18 years, none** — D2 has never disclosed audited trust accounts (ss.19, 57, 59); trust funds were used to fund litigation against a beneficiary.

! **Self-dealing Trust as fiefdom** — D2 & D4 acquired land abutting the Meda for personal control — a conflict of interest (ss.51, 66).

! **Relief Removal sought** — The Plaintiff seeks D2's removal as Managing Trustee and enforceable beneficiary rights to the Meda, Nalukettu and Nelpura.
